

BANNER SPONSORSHIP PROGRAM

2011
2012

Knights of Columbus Hockey asks you to support minor hockey through the **Banner Sponsorship Program**

Knights of Columbus Hockey (KC) organizes minor hockey teams from initiation through to midget major AAA. To help teams with their fundraising, KC offers businesses easy and affordable advertising by way of sponsorship banners. Participating teams will display their sponsorship banners at all regular season, playoff and tournament games during the 2011-12 minor hockey season. KC also offers an arena advertising opportunity (see below).

In addition, all **Club-Level Sponsors** will be acknowledged on the Knights of Columbus Hockey website (www.kchockey.ca) with their business logo displayed on the home page.

In sponsoring minor hockey, not only will your business receive exposure to thousands of parents, players, fans and officials, but they will also see your support of "Canada's Game".
